Dear Friends of the Foundation,

The words at the top give real meaning to the mission of Michigan Gateway Community Foundation. By nearly all measures, the Foundation’s fiscal year ending March 31, 2020 was a good one. We served the community owing to the continued support of a caring community. THANK YOU.

We received contributions from 323 individuals, businesses, and organizations, representing 433 gifts totaling $541,111.63. Both the number of gifts and donors was an increase from the previous year. On the other side of the coin, we distributed 170 grants to programs and organizations in our communities, totaling $486,866.67 AND granted 252 scholarships in the amount of $380,459.24 assisting in the dreams and goals of our area students for their post-secondary pursuits. In this annual report you will find a list of all our donors, and the grants and scholarships that we distributed.

The COVID-19 virus pandemic hit right at the end of our fiscal year, as we were transitioning our investment portfolio to a leaner, more efficient, and less costly process for investing YOUR gifts to the Foundation. Beyond the impact on our office, where we were required to close the doors and work remotely as a staff, the negative effect of the pandemic response on our investments was immediate. I am happy to say that our portfolio allocation choices turned out to be good ones in this environment, and we rebounded nicely as the economy began to normalize thoughout the early months of our new current fiscal year.

The year past has also been a period of transition for the Foundation. A succession committee was formed and led our Foundation Trustees though a strategic planning process and concluded their charge with a successful search for the next President and CEO for Michigan Gateway Community Foundation, Michael Rowland. After 20 years leading the Foundation, and 42 years as a nonprofit executive, I will retire and turn in my keys, effective October 1, 2020. I have relished and appreciated the staff, board and committee volunteers, donors, and grantees that have been part of my tenure, and will miss being part of a great organization, one whose mission is to foster a community of philanthropy, for good. Forever.

THANK YOU once again. Our success is your success, our capacity to help others is due to your generous and caring support.

Warmest Regards,
Robert N. Habicht

In 2018, Michigan Gateway Community Foundation implemented a new program in Buchanan, Kickstart to Career (K2C), a children's savings account program for kindergartners. “We have the wonderful capacity to help graduating seniors in Buchanan pursue their postsecondary education via the Buchanan Promise Scholarship and thought a great way to help them prepare is to work at the other end when they start school as kindergartners,” said Robert N. Habicht, President/CEO of Michigan Gateway Community Foundation. The Foundation will seed every incoming kindergarten student with a $50 deposit-only savings account. The Foundation and its donors will add incentive match deposits to accounts over the student’s school life, and students, their families, relatives and friends will be encouraged to grow their account for the next 13 years until high school graduation, so they will have financial support in addition to the Promise Scholarship. The K2C program will support the goals of the Buchanan Promise — successful completion of postsecondary education — with information and communication relative to planning for postsecondary success and career preparation. It will encourage family — and when age appropriate, the student — to develop savings habits, provide financial literacy education to families to encourage good planning and goal-setting, and encourage parental and family engagement not only in the savings program, but also in supporting academic achievement, and pointing children toward the expectation of a successful postsecondary experience.

In support of our mission, the Foundation seeks to:

- Responsibly and wisely manage the Foundation’s resources by attracting and holding permanent endowments from a wide range of donors.
- Anticipate and address community needs by effectively distributing Foundation resources.
- Serve all donors through a variety of giving opportunities. Bring together diverse interests in search of common solutions.
- Dedicate the Foundation to fairness, objectivity, and responsiveness to all those seeking its philanthropic services.

Vision Statement: Creating a strong, vibrant, caring community.
Mission Statement: Fostering a community of philanthropy, for good, forever.

In 2019-20, we opened 128 student accounts. We now have a total of 244 student accounts in the Kickstart to Career program.

Statement of Accountability

We invite you to contact us to obtain any further information that may be useful to you. The Michigan Gateway Community Foundation is fully accountable to the donors and citizens of the community. Our records, with the exception of specific donor gift information, are public. An independent financial audit is completed annually and is available upon request. The Foundation will also make our Form 990 (Exempt Organization Business Income Tax Return) available for public review. The Foundation’s Board of Trustees is responsible for the investment oversight on our portfolio. Investment information and fees charged (administrative fees) are available to the public upon request.

Since the creation of voluntary compliance with National Standards in 2006, Michigan Gateway Community Foundation has been confirmed each year to be in compliance with National Standards for U.S. Community Foundations, as evaluated by the Council of Foundations, Washington, D.C.

Additional information can be found on the web, at www.guidestar.org

2019-2020 Scholarships

$123,459.60

2019-20 total awarded for new & renewal scholarships to 83 students at 30 educational institutions.

To view the full report, please refer to the Michigan Gateway Community Foundation 2019-2020 Annual Report.
To our Service Community:

I have been associated with and in a position to serve with Michigan Gateway Community Foundation for over forty years and to occupy a front row seat to its growth and impact on our communities. Through the generosity of our donors we have grown the Foundation to and have distributed grants totaling more than six million dollars for important community projects that otherwise would not have moved forward. 2020 challenged us to newer and unique services. When the COVID-19 pandemic shut down the country, putting many families in stressful and difficult circumstances, we responded by joining a region wide coalition of funders to support the pressing needs of those families and individuals that were negatively affected. A long time contributing partner provided funds that were earmarked specifically for families in Cass County. We contributed funds to Niles area food banks in a program we started, Nourish Niles, helping those who found themselves in food shortage circumstances due to the virus. In Buchanan, we made sure the schools had the necessary protective equipment to keep our school children safe and we served as the hub for community contributions to enable the schools to purchase Personal Protective Equipment (PPE) in preparation for students returning to school in these unusual times.

Two years ago, our Board of Trustees implemented a succession plan that was designed and led by our soon to retire CEO, Rob Habicht. Strategic planning led us into a leadership profile exercise, culminated in the soon to retire CEO, Rob Habicht. Strategic planning culminated in the selection of a new CEO, John Gregory, who has now designed and led a succession plan that was designed and led by our soon to retire CEO, Rob Habicht. Strategic planning culminated in the selection of a new CEO, John Gregory, who has now led the Foundation through these unusual times.

Legacy Society

O ften, caring people remember Michigan Gateway Community Foundation in their wills, but are not recognized for their gifts to their favorite charitable cause until they pass away. The Legacy Society was created to acknowledge people who have made a bequest and give their permission to the Foundation to use their names to encourage others to act charitably during their lifetimes.

Building on the foresight of our founding members, these people have made endowment gifts totaling more than $10,000, or have notified the Foundation of a planned gift through their estate, or via a charitable gift annuity, charitable remainder trust, or similar planned gift vehicle.

Thank you for including Michigan Gateway Community Foundation in your charitable gift plan!

Individual Members (* deceased)

Mrs. Roma Holmes
Dr. and Mrs. Scott Sullivan
Nancy O. Butler*
Bruce* & Xiaofeng *
